

Yesterday's Tomorrow

Say Goodbye

On the reverse side of this sheet is the image of a two page spread that appeared in the February 1989 issue of **LIFE Magazine**. Using text and art, the author reports various things that will disappear from American society by the turn of the century (2000).

Read the article, then note below 3 predictions that you think came true, 3 that you think have not come to pass, and up to 3 about which you are uncertain (if any). You will have 10 minutes to complete this task.

Predictions that came true

Predictions that never came to pass

Predictions about which I am uncertain
